## 4. Beleuchtung / Lighting

### Allgemein / Generally

**DE:** Die Bühne sollte im Bereich der Musiker zur Spielzeit stets mit einem Grundlicht ausgeleuchtet sein.

**EN:** The stage should always be illuminated with a basic light in the area where the musicians are playing.

**DE:** Unmittelbar vor Konzertbeginn Licht aus. Sobald Instrumente zu hören sind sofort Beleuchtung an. Bei Umbaupausen gern minimal Beleuchtung. /

**EN:** Lights off immediately before the start of the concert. As soon as instruments can be heard, the lights come on immediately. During conversion breaks, minimal lighting is preferred.

**DE:** Bei Einspieler zur Zugabe (Bomber mit Sirene) gern von Dunkel auf Effektbeleuchtung wie „Moving Lights“.

**EN:** In the case of an encore (bomber with siren) from darkness to effect lighting such as "Moving Lights".

### Gitarre / Guitar

**DE:** Bei „Gitarren-Solo“ Gitarre Spot auf Gitarristen, restliche Bühnenbereiche abgedunkelt.

**EN:** With "guitar solo" guitar spot on guitarist, remaining areas of the stage darkened.

### Schlagzeug / Drums

**DE:** Das Schlagzeug sollte zur Spielzeit stets mit einem weißen / gelben Grundlicht ausgeleuchtet sein. Bei „Schlagzeug-Solo“ zusätzliche Effekte im Bereich Schlagzeug (z.B. Moving Lights und Hazer), restliche Bühnenbereiche abgedunkelt.

**EN:** The drums should always be illuminated with a white / yellow basic light when playing. With "Drum Solo" additional effects in the drums area (e.g. moving lights and hazer), remaining areas of the stage darkened.
