4. Beleuchtung / Lighting

Allgemein / Generally

DE: Die Bühne sollte im Bereich der Musiker zur Spielzeit stets mit einem Grundlicht ausgeleuchtet sein.

EN: The stage should always be illuminated with a basic light in the area where the musicians are playing.

DE: Unmittelbar vor Konzertbeginn Licht aus. Sobald Instrumente zu hören sind sofort Beleuchtung an. Bei Umbaupausen gern minimal Beleuchtung. /

EN: Lights off immediately before the start of the concert. As soon as instruments can be heard, the lights come on immediately. During conversion breaks, minimal lighting is preferred.

DE: Bei Einspieler zur Zugabe (Bomber mit Sirene) gern von Dunkel auf Effektbeleuchtung wie „Moving Lights“.

EN: In the case of an encore (bomber with siren) from darkness to effect lighting such as "Moving Lights".

Gitarre / Guitar

DE: Bei „Gitarren-Solo“ Gitarre Spot auf Gitarristen, restliche Bühnenbereiche abgedunkelt.

EN: With "guitar solo" guitar spot on guitarist, remaining areas of the stage darkened.

Schlagzeug / Drums

DE: Das Schlagzeug sollte zur Spielzeit stets mit einem weißen / gelben Grundlicht ausgeleuchtet sein. Bei „Schlagzeug-Solo“ zusätzliche Effekte im Bereich Schlagzeug (z.B. Moving Lights und Hazer), restliche Bühnenbereiche abgedunkelt.

EN: The drums should always be illuminated with a white / yellow basic light when playing. With "Drum Solo" additional effects in the drums area (e.g. moving lights and hazer), remaining areas of the stage darkened.
